

HB 4127 suffers from most of the ills listed above. It would prohibit citizens, while the polls are open on an election day, from possessing a firearm in a polling place or within 100 feet from any entrance to a building in which a polling place is located. Beginning on the second Saturday before an election and ending on the Sunday before the election, it would prohibit the possession of a firearm at an early voting site within 100 feet from any entrance to an early voting site. For 40 days before an election, no citizen could possess a firearm within 100 feet from any absent voter ballot drop box, which due to the passage of Prop. 2 will be located practically everywhere.

Please vote *no* on these bills. If you are unable to kill these objectionable bills outright, please make sure that the word "possession" is replaced with "brandishing" firearms in the "sensitive places" mentioned.

Express your opposition and stand tall for our constitutional rights.

Sincerely,
Mary Vaughan 9366 Elaine Court Taylor, M. 48180 -3621
