Good morning Ms. Wingrove,

I am sending this email in support of HB 5048; however, I would like to offer some suggestions:

- The max 2% levy for cities and townships be changed to 5% (the same as counties); and
- The word "parks" be added to the permitted uses in the last paragraph (after cleanliness) to provide a bit more clarity.

Thank you for considering these small, but significant, modifications to the proposed legislation.
