

*The University Center Expansion Project is proposed for two very important primary purposes:*

- A. An enlarged on-site teaching facility, which shall allow for increased instructional opportunities and maximum curriculum saturation.*
- B. Create a stronger visual presence for WCCCD as it relates to Branding & Imaging within the Harper Woods and Pointes Community.*

## CLT Expansion Phase

- *A Newly Constructed Matching Addition to the Existing CLT Building Structure.*
- *Estimated Design & Construction Timeframe is 2yrs.*
- *Estimated Total Project cost is \$11.5M.*

## University Center Facade Concept

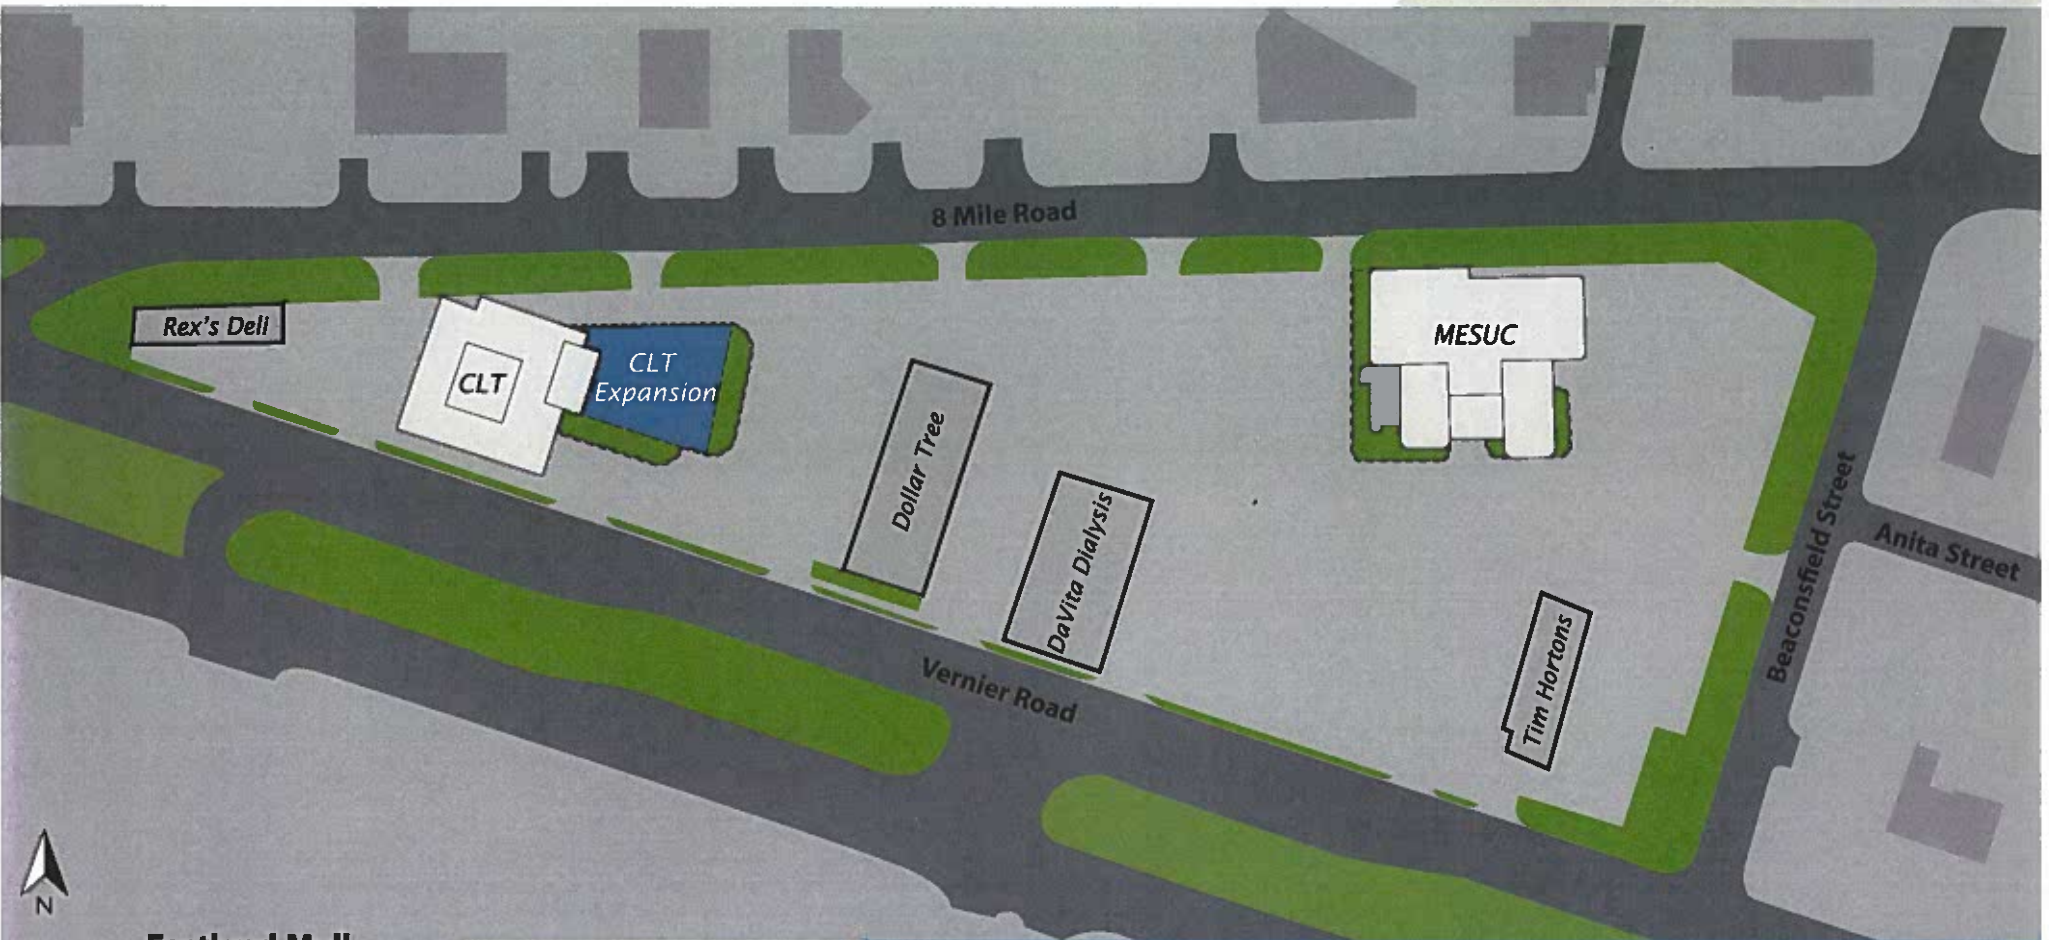

### Mary Ellen Stempfle University Center (Building Upgrades)

- *Modernization to Interior Finishes and Lighting.*
- *Façade and Exterior Lighting Modernization.*
- *Estimated Timeframe to Complete this project is 1yr.*
- *Estimated Total Project Cost is TBD*
