c. Reduction - Eliminate Two Laboratory Testing Services & Staff Executive: For GF/GP savings, eliminates public health testing services for parasitology for immigrants and refugees submitted by local health departments and mycology (fungal infections) testing of specimens from hospitals. 7.0 related laboratory staff FTEs would be eliminated. This will eliminate testing for about 5,000 persons which may result in delayed results and diagnosis, and possible disease spread. Senate: Concurs with the Executive. d. Reduction - Eliminate Houghton Regional Laboratory & Staff Executive: For \$600,000 GF/GP savings, proposes closure of the regional public health laboratory in Houghton, one of five regional laboratories under the state laboratory system, and elimination of 6.0 related FTE laboratory staff. The drinking water, STD, rabies and bioterrorism testing done by this lab for 23 counties in the Upper Peninsula and Northern Michigan would be done by other state or private laboratories, which may result in delayed results and possible disease spread. i. Implement Physician Quality Assurance Assessment Program Executive: A reduction of \$26.8 million GF/GP results from the implementation of a proposed physician QAAP, although along with GF savings in the Health Plan Services the amount totals \$107.8 million. Assessment revenue of \$300.0 million divided between the two lines would be generated by a 3% tax on physician services gross revenues, with a net amount of \$548.2 million of new federal Medicaid funding available to the State. Funds will be used to increase Medicaid physician payments up to Medicare payment rates. (Sec. 1830) Senate: Does not concur with the Executive. House: Concurs with the Senate.
