Overview

The Community Colleges budget supports the 28 public community colleges located throughout the state. Community colleges offer a wide variety of educational programs, including traditional two-year transfer programs, associates' degrees, career and technical education, developmental and remedial education, continuing education, and, after 2012, baccalaureate programs in a limited number of areas. The colleges are supported primarily through a combination of state aid, local property tax revenue, and tuition and fees.

NOTE: Information on House budget action in this document is based on House Bill 4115 as passed by the House.

Major Budget Changes From FY 2014-15 YTD Appropriations

1. Community College Operations Grants

Executive increases funding for community college operations grants by \$4.3 million (1.4%), to be distributed according to a revised performance funding formula. Projected increases for individual community colleges range from 1.2% to 1.9%. Total funding would be \$311.5 million: \$230.2 million School Aid Fund (SAF), \$81.3 million GF/GP.

	FY 2014-15 Year-to-Date (as of 5/5/15)	FY 2015-16 Senate Change
Gross	\$307,191,300	\$4,300,700

House increases operations grant funding by \$6.1 million (2.0%), to be distributed under the current performance funding formula. Projected increases for individual colleges range from 1.8% to 2.4%. Total funding would be \$313.3 million: \$233.3 million School Aid Fund (SAF), \$80.1 million GF/GP.

Senate concurs with overall Executive increase, but distributes according to current performance funding formula. Projected increases for individual colleges range from 1.2% to 1.7%.

2. Michigan Public School Employees' Retirement System (MPERS) State Share	Gross	\$52,300,000	\$17,200,000
<u>Executive</u> includes \$17.2 million increase, funded with SAF, for the state's share of colleges' unfunded liability to MPERS; state's share is the difference between the actuarial accrued liability to the system and the employer contribution cap of 20.96% of payroll set by the Public School Employees Retirement act (MCL 38.1341). Total funding for state share would be \$69.5 million (\$52.3 million GF/GP). An additional \$6.9 million is expected to be needed in FY 2016-17.	Restricted	52,300,000	(35,100,000)
	GF/GP	\$0	\$52,300,000

House and Senate concur.

3. MPERS Offset	Gross	\$1,733,600	\$0
<u>Executive</u> maintains funding for payments to community colleges to offset prior-year retirement contributions. <u>House</u> and <u>Senate</u> concur.	Restricted	1,733,600	0
	GF/GP	\$0	\$0

4. Financial Aid	Gross	\$0	\$6,000,000
<u>Executive</u> provides \$6.0 million SAF to re-institute the Independent Part-Time Student Grant program, which was last funded in FY 2008-09. Program to be limited to community colleges and to provide assistance to adult students taking fewer than 12 credits, with priority for former postsecondary students who left prior to completing a degree or certificate.	Restricted	0	6,000,000
	GF/GP	\$0	\$0

House funds at \$2.9 million, using the difference to provide increased funding for college operations grants. Senate concurs with Executive.

5. Renaissance Zone Reimbursements	Gross	\$3,500,000	\$1,600,000
<u>Executive</u> increases funding for Renaissance Zone reimbursements by \$1.6 million SAF, bringing total funding to \$5.1 million (\$3.5 million GF/GP), the approximate amount of college tax revenue lost under Renaissance Zones in FY 2013-14. Restores GF/GP funding support to its previously-enacted level of \$3.5 million.	Restricted	3,500,000	(1,900,000)
	GF/GP	\$0	\$3,500,000

Major Boilerplate Changes From FY 2014-15

Sec. 209. Community College Transparency – RETAINED

Executive deletes from college transparency reporting requirements a requirement to post the estimated cost resulting from the Affordable Care Act, and a requirement to post a copy of the board of trustees resolution regarding compliance with the funding formula's local strategic value component (a component that the Executive proposes to eliminate). Executive also deletes a provision authorizing state budget director to withhold payment from a college that failed to comply with the reporting requirements, and provisions added in FY 2014-15 that require a community college to report certain data on dual enrollment, early college programs, and related endeavors.

House and Senate retain current transparency requirements without substantive changes.

Sec. 210b. Michigan Transfer Agreement – RETAINED

Encourages implementation of Michigan Transfer Agreement and requires status report. Executive includes substantially similar language in another section, while deleting the reporting requirement. House and Senate retain Sec. 210b.

Sec. 210c. Block Transfer Study Committee – NEW

House establishes a study committee to develop a process to improve the transferability and applicability of associates' degrees as a block of credits between community colleges and public universities on a statewide basis. Senate concurs, with minor language differences.

Major Boilerplate Changes From FY 2014-15

Sec. 215. Independent Part-Time Student Grants – NEW

Executive urges community colleges to prioritize funds for aid to students who have enrolled in an academic program after not being enrolled for more than a semester or term, who have previously earned credits in an academic program, and who have not yet earned a certificate or degree. House and Senate concur.

Sec. 216. Activities Classification Structure (ACS) Advisory Committee – REVISED

Executive deletes language referring to initial report of ACS advisory committee, due July 30, 2015. House and Senate concur.

Sec. 226. Completion Data – REVISED

Executive adds to a requirement to report degree and completion data to the Workforce Development Agency (WDA) a requirement to work with WDA and the Center for Educational Performance and Information (CEPI) to develop a systematic approach to accomplish the task. House and Senate concur.

Sec. 229a. State Building Authority (SBA) Rent Payments – REVISED

Executive updates itemized list of community college capital outlay projects on which the state will pay SBA rent in FY 2015-16. Funding for SBA rent is appropriated under the General Government budget. House and Senate concur.

Sec. 230. Performance Funding Formula – REVISED

Executive eliminates the “local strategic value” component (currently set at 15%) of the formula for distributing performance-based funding, increases the weighted degree component from its current 17.5% to 32.5% of the formula, and adds a requirement to actively participate in the Michigan transfer network, which enables students to identify courses and credits transferable to and from Michigan postsecondary institutions.

House and Senate retain the local strategic value component of the performance funding formula, but concur with the Executive in requiring colleges to submit timely updates to the Michigan transfer network. Senate in addition specifies that timely updates include updates of course equivalences at least every six months.

Sec. 230a. Performance Indicators Task Force – NEW

Senate requires creation by October 15 of a performance indicators task force to make recommendations on community college performance funding metrics. The nine-member task force would include representation from the legislature, state budget office, and community colleges, and would submit its report by January 15, 2016.
