Department of Civil Rights

- The 1963 State Constitution created the Michigan Civil Rights Commission and charged it with investigating "alleged discrimination against any person because of religion, race, color, or national origin".
- Since then, the Elliott-Larsen Civil Rights Act (1976 PA 453) and the Persons with Disabilities Civil Rights Act (1976 PA 220) have added sex, age, marital status, familial status, height, weight, arrest record, genetic information, and physical and mental disabilities to the original four protected categories.
- The Department of Civil Rights was established in 1965 to serve as the Commission's administrative arm charged with implementing Commission policies.
- The department works to ensure equal protection by:
 - Investigating complaints
 - Resolving complaints through legal action and mediation
 - Conducting outreach and education

Key Budget Terms

Fiscal Year: The state's fiscal year (FY) runs from October to September. FY 2020-21 is October 1, 2020 through September 30, 2021.

Appropriation: Authority to expend funds. An appropriation is not a mandate to spend. Constitutionally, state funds cannot be expended without an appropriation by the legislature.

Line Item: Specific appropriation amount that establishes spending authorization for a particular program or function in a budget bill.

Boilerplate: Specific language sections in a budget bill that direct, limit, or restrict line item expenditures, express legislative intent, and/or require reports.

Lapse: Appropriated amounts that are unspent or unobligated at the end of a fiscal year. Appropriations are automatically terminated at the end of a fiscal year unless designated as a multi-year work project under a statutory process. Lapsed funds are available for expenditure in the subsequent fiscal year.

Note: Unless otherwise indicated, historical budget figures in this presentation have not been adjusted for inflation.
