December 2002

To: Members of the House of Representatives

We have prepared a Line Item Summary for each of the FY 2002-03 appropriation acts. Each Summary contains line-by-line detail, including the amount and purpose of each appropriation line and information regarding related boilerplate sections, for a specific appropriation act. Following the line item detail, we have included a section that provides a brief explanation of each boilerplate section in the appropriations bill. Please note that ~~strikeouts~~ in this report show the effects of vetoes.

This Line Item Summary explains line items in the *enacted* Higher Education Appropriations Bill, Public Act 144 of 2002. This report was prepared by Hank Prince, Associate Director, with assistance from Barbara Graves, Budget Assistant.

If you would like to obtain a Line Item Summary for a particular budget area, please contact Jeanne Dee, Administrative Assistant, at 373-8080.

The primary funding source for K-12 schools and Intermediate School Districts (ISDs)

#### **Work Project**

An account established to allow for certain specific unspent funds to be carried over from one fiscal year to a succeeding fiscal year or years

## HIGHER EDUCATION

*The funding in this appropriation act provides state operational support for the 15 state public universities, grants for independent colleges and universities, need-based financial aid for students attending public and independent colleges and universities in the state, Michigan Merit awards, and support for efforts to increase participation in postsecondary education for under-represented minorities in the state.*

<b>GROSS APPROPRIATION</b>	<b>\$1,943,345,166</b>	<b>Total of all applicable line item appropriations.</b>
Total interdepartmental grants and intra departmental transfers	0	Total amount of all grants to other departments and transfer of funds—this amount is subtracted from the gross appropriations amount to avoid double-counted expenditure line items.
<b>ADJUSTED GROSS APPROPRIATION</b>	<b>\$1,943,345,166</b>	<b>Net of gross appropriations, interdepartmental grants, and intradepartmental transfers.</b>
Total federal revenues	5,500,000	Total federal grant or matchable revenues.
Total private revenues	0	Total private grant revenues.
Total local revenues	0	Total revenues from local units of government.
Total other state restricted revenues	125,573,850	State revenue dedicated to a specific fund (other than the General Fund); or revenue earmarked for a specific purpose.
<b>GENERAL FUND/ GENERAL PURPOSE</b>	<b>\$1,812,271,316</b>	<b>The state's primary operating fund; the portion of the state's General Fund that does not include restricted revenues.</b>

## STATE UNIVERSITIES

*There is a separate appropriation unit (Section(s): 102 through 116) for each of the 15 state universities. The appropriation of a total of \$1,615,486,200 is the unrestricted state operating support for the universities and represents about 90% of the state funding in this appropriation act. There are no restrictions attached to this appropriation. It fulfills the conditions of Article VIII, Section 4 of the State Constitution, which requires the Legislature to appropriate funds to support the state universities.*

Included in each of the line items below is funding for the Martin Luther King, Jr.-Cesar Chavez-Rosa Parks College Day (a total of \$1,212,611), Future Faculty (a total of \$1,228,262), and Visiting Professors (a total of \$171,916) programs that are referenced in Sections 501, 502, and 505 of this appropriation act. (Individual university allocations are detailed in the FY 2002-03 Higher Education Appropriations Report prepared jointly by the House and Senate Fiscal Agencies.)

## SECTION 117: STATE AND REGIONAL PROGRAMS

*This unit in the appropriation act provides state support for programs with a service mission to the public or the higher education system in general.*

Agricultural experiment station (AES)	36,848,700	This is a statewide agricultural research program operated by Michigan State University (MSU) as part of its land-grant mission. The MSU program has 15 research facilities across the state. The federal Hatch Act initiated agricultural experiment stations in 1887. Approximately half of the AES's other funding comes from federal and industry sources. Only state funding is appropriated in this appropriation act. This line item also now includes a portion (\$3.28 million) of the total \$6.1 million funding for Project GREEN, a research effort on behalf of Michigan's agricultural industry.
		Funding Source(s): GF/GP 36,848,700

*Related Boilerplate Section(s): 433*

Cooperative extension service (CES)	31,782,600	This program is operated by MSU as part of its land-grant mission. Cooperative extension services were started under the federal Smith-Lever Act of 1914. The program extends MSU's public service mission to all the counties in the state. Programs include agriculture, marketing, natural resources, family living, 4-H Clubs, and nutrition. County governments jointly support the local CES programs. Only state funding is appropriated in this appropriation act. This line item also now includes a portion (\$2.9 million) of the total \$6.1 million funding for Project GREEN, a research effort on behalf of Michigan's agricultural industry.
		Funding Source(s): GF/GP 31,782,600

*Related Boilerplate Section(s): 433*

Rare Isotope Accelerator (RIA)	2,000,000	This funding provides support for architectural drawings and design related to Michigan State University's effort to secure the proposed federally-funded Rare Isotope Accelerator (RIA), a scientific enterprise which may have broad economic impact.
		Funding Source(s): Restricted 2,000,000

*Related Boilerplate Section(s): 437*

Japan center for Michigan universities	305,300	A consortium of the 15 public universities operates this program, with MSU as the fiscal agent. It is an academic program in Japanese language and culture located in the City of Hikone, Shiga Prefecture, Japan. It is operated out of a facility built by the Shiga Prefecture. Total program costs are approximately \$750,000, with additional program support coming from student tuition and fees.
		Funding Source(s): GF/GP 305,300

*Related Boilerplate Section(s): None*

Higher education database modernization and conversion	250,000	The state maintains an expenditure and activity database of Michigan's public universities called HEIDI (Higher Education Institutional Data Inventory). This funding represents the second year of a two-phase approach to updating the database. Phase I allowed for the modernization of the platform serving the database and moving it from the Department of Treasury to the Michigan Information Center in the Department of Management and Budget. Phase II, for which this funding is provided, is for system maintenance; the integration of existing federal, national, regional, and state data sources; a review of all current data elements for their continued relevance to state policy makers; and maintenance of Internet access. Funding Source(s): GF/GP 250,000 <i>Related Boilerplate Section(s): 405</i>
Michigan molecular institute <b>VETOED</b>	<del>236,900</del> 0	This is a private organization located in Midland, Michigan, that does advanced industry-applicable research in polymers and carbon filaments. This funding was intended to help support graduate research fellowships at the Institute for students from Michigan public universities. State funding had been provided since FY 1984-85. <i>Related Boilerplate Section(s): None</i>
Midwestern higher education compact	82,500	Public Act 195 of 1990 allows the State of Michigan to become a member of an interstate compact to identify and institute opportunities to member states to realize economies of scale and increase postsecondary opportunities. The eight states of the compact are Illinois, Kansas, Michigan, Minnesota, Missouri, Nebraska, Ohio, and Wisconsin. The compact is headquartered in Minneapolis. This funding represents Michigan's dues for the compact. Each state's dues are identical. Funding Source(s): GF/GP 82,500 <i>Related Boilerplate Section(s): None</i>
<b>GROSS APPROPRIATION</b>	<b>\$71,269,100</b>	<b>Total of all line item appropriations for State and Regional Programs.</b>
<b>GENERAL FUND/ GENERAL PURPOSE</b>	<b>\$69,269,100</b>	<b>The state's primary operating fund; the portion of the state's General Fund that does not include restricted revenues.</b>

## SECTION 118: MARTIN LUTHER KING, JR. - CESAR CHAVEZ - ROSA PARKS PROGRAM

*This appropriation unit provides funding for the programs operated by the King-Chavez-Parks unit in the Department of Education intended to increase the participation of under-represented minorities in postsecondary education in Michigan. Additional program support for the King-Chavez-Parks initiative is included in each university's operating appropriation and is described under the State Universities Section of this report. There is no statutory basis for these programs, other than appropriation boilerplate.*

Select student support services	2,173,450	This program provides grants to develop academically and disadvantaged student retention programs at the state's public and independent colleges and universities. A peer committee convened by the King-Chavez-Parks unit reviews Grant requests. The grants are matched on an 80/20 state/-institutional basis.
		Funding Source(s):      GF/GP      2,173,450

*Related Boilerplate Section(s): 503, 507*

Michigan college/ university partnership program	652,050	This program is intended to increase the number of under-represented minority students transferring from community colleges to the public universities. A peer committee convened by the King-Chavez-Parks unit reviews Grant requests. The grants are matched on a 70/30 state/institutional basis and are intended to reflect geographic diversity of institutions.
		Funding Source(s):      GF/GP      652,050

*Related Boilerplate Section(s): 504, 507*

Morris Hood, Jr. educator development program	165,100	This program is intended to increase the number of under-represented minorities, especially males, who achieve teacher certification in Michigan. The King-Chavez-Parks unit awards funding.
		Funding Source(s):      GF/GP      165,100

*Related Boilerplate Section(s): 506, 507*

<b>GROSS APPROPRIATION</b>	<b>\$2,990,600</b>	<b>Total of all line item appropriations for the King-Chavez-Parks programs operated by the Office Of Equity.</b>

## SECTION 119: GRANTS AND FINANCIAL AID

*This section of the appropriation act provides state funding support for the independent colleges and universities and need-based student financial aid programs.*

State competitive scholarships	36,654,616	<p>This program has as its basis Public Act 208 of 1964. It provides financial aid for students who have financial need and who have a total qualifying score of 90 (23 composite) on the ACT. This program is available for students attending both public and private colleges and universities. In FY 1999-2000, about 28,500 scholarships were awarded. Accompanying boilerplate for this appropriation is Section 301. The program is administered by the Department of Treasury; \$3.6 million of the funding is from federal sources.</p> <p style="text-align: right;">Funding Source(s):      Federal      3,600,000  <span style="padding-left: 100px;">GF/GP      33,054,616</span></p> <p style="text-align: right;"><i>Related Boilerplate Section(s): 301, 308, 309</i></p>
<hr/>		
Tuition grants	66,100,200	<p>This program has as its basis Public Act 313 of 1964. It provides need-based student financial aid for students attending independent colleges and universities. Approximately 28,500 students received grant awards in FY 1999-2000. Accompanying boilerplate for this appropriation is Section 302. This section provides, in part, that beginning with the 1996-97 academic year, this funding cannot be used for students enrolled in a Juris doctor law degree program. The program is administered by the Department of Treasury.</p> <p style="text-align: right;">Funding Source(s):      GF/GP      66,100,200</p> <p style="text-align: right;"><i>Related Boilerplate Section(s): 302, 308, 309</i></p>
<hr/>		
Michigan work-study program	8,015,800	<p>This program has as its basis Public Act 288 of 1986. Funding is allocated to the public and independent colleges on a formula basis to provide work-study opportunities for students having financial need. The respective college and university financial aid offices administer the program. In FY 1999-2000, approximately 6,400 awards were made to qualifying students. The boilerplate in Section 303 contains the allocation formula and the legislative intent that not less than 10% of students are placed with for-profit employers.</p> <p style="text-align: right;">Funding Source(s):      GF/GP      8,015,800</p> <p style="text-align: right;"><i>Related Boilerplate Section(s): 303, 308</i></p>
<hr/>		
Part-time independent student program	2,903,000	<p>This program has as its basis Public Act 102 of 1986. This program was established to foster the pursuit of postsecondary education by adult part-time, independent students who have financial need. The respective college and university financial aid offices administer the program. In FY 1999-2000, grants were awarded to about 7,000 students.</p> <p style="text-align: right;">Funding Source(s):      GF/GP      2,903,000</p> <p style="text-align: right;"><i>Related Boilerplate Section(s): 308</i></p>
<hr/>		

Grant for Michigan resident dental graduates	5,052,300	<p>This program has as its basis Public Act 75 of 1974, which enables the state to provide per capita grants to independent colleges for Michigan residents receiving a degree. As there is only one independent college with a dental program, the University of Detroit-Mercy, the entire appropriation is for that university. The university granted 52 degrees in 1999-2000.</p> <p>Funding Source(s): GF/GP 5,052,300</p> <p><i>Related Boilerplate Section(s): 301, 306, 307, 308</i></p>
Grant for general degree graduates <b>PARTIAL VETO</b>	<p><del>6,319,400</del> 6,184,100</p>	<p>This program has as its basis Public Act 75 of 1974, which permits the state to provide per capita grants to independent colleges for Michigan residents receiving a degree. The funding is prorated among the independent colleges by the number of degrees they granted the previous year. Associate Degrees are counted at half the value as a Baccalaureate or Masters degree. For the 1999-2000 fiscal year, funding was prorated on the basis of 13,000 degrees that were granted to Michigan residents. Degrees not reimbursed under this appropriation are dental and allied health degrees; they have their own appropriation. Veto eliminated set-aside for Spring Arbor University prison program.</p> <p>Funding Source(s): GF/GP 6,184,100</p> <p><i>Related Boilerplate Section(s): 304, 306, 307, 308</i></p>
Grant for allied health graduates	935,100	<p>This program has as its basis Public Act 75 of 1974, which authorizes the state to provide per capita grants to independent colleges for Michigan residents receiving a degree. This appropriation reimburses for degrees granted in allied health programs. These degrees are recognized separately because allied health programs are generally more costly to operate. For FY 1999-2000, funding was prorated by 440 allied health degrees granted to Michigan residents.</p> <p>Funding Source(s): GF/GP 935,100</p> <p><i>Related Boilerplate Section(s): 301, 305, 307, 308</i></p>
Michigan education opportunity grants	2,280,300	<p>This program has as its basis Public Act 273 of 1986. This program is a need-based student financial aid program administered by the financial aid offices of the respective colleges and universities. In FY 1999-2000, grants were provided to 5,564 qualifying students.</p> <p>Funding Source(s): GF/GP 2,280,300</p> <p><i>Related Boilerplate Section(s): 308</i></p>
Robert C. Byrd honors scholarship program	1,900,000	<p>This is a federally-funded program (Higher Education Act of 1965, Title IV, Part A) established in 1987 to reward academic excellence. Students eligible are those on the "Academic All-State Team Program" administered by the Detroit Free Press and the Michigan Association of Secondary School Principals. Each high school principal nominates an outstanding graduating senior. Students can receive up to \$1,500. In FY 1999-2000, there were 1,003 awards made to qualifying students.</p> <p>Funding Source(s): Federal 1,900,000</p> <p><i>Related Boilerplate Section(s): 211</i></p>

Nursing Scholarship Program	4,000,000	This program is intended to increase the supply of licensed practical nurses, and associate degree and bachelor degree nurses. The awards shall be considered loans if the recipient does not meet the direct patient-care employment requirements following graduation. The Michigan Merit Award Trust Fund is the funding source. Funding Source(s): Restricted 4,000,000  <i>Related Boilerplate Section(s): 312</i>
Michigan merit award program	114,323,850	This is the third year of a new program providing merit scholarships to high school graduates with a high qualifying score on the Michigan Education Assessment Program (MEAP) test or specified comparable tests. The revenue source is the Michigan Merit Award Trust Fund, which receives most of Michigan's portion of the national tobacco settlement. Approximately 48,000 students were eligible for the award from the Class of 2001. Funding Source(s): Restricted 114,323,850  <i>Related Boilerplate Section(s): None</i>
Tuition incentive program/high school completion	5,250,000	The program is often referred to by its acronym TIP and is intended as a two-phase incentive for students from very low-income families to graduate from high school. To be eligible, students must apply before graduating from high school and be Medicaid eligible for 24 of 36 months. If an eligible student graduates from high school or receives a GED before the age of 20, under Phase I she or he can receive up to two years of free tuition at a community college. Under Phase II, if a student graduates from a community college or transfers to a four-year university, he or she will receive up to \$2,000 toward tuition (\$500/semester). Section(s): 310 of this bill provides the authorization for the program. Unexpended funding is allowed to be carried forward into the subsequent fiscal year. The funding source for FY 2002-03 is the Michigan Merit Award Trust Fund. Funding Source(s): Restricted 5,250,000  <i>Related Boilerplate Section(s): 310</i>
<b>GROSS APPROPRIATION</b>	<b>\$253,599,266</b>	<b>Total of all line item appropriations for Grants and Financial Aid.</b>
