TO: Members of the Michigan House of Representatives

The House Fiscal Agency has prepared a **Line Item Summary** for each of the FY 2022-23 appropriation acts. Each **Summary** contains line-by-line appropriation and revenue source detail, and a brief explanation of each boilerplate section in the appropriation bill.

In this report, line item vetoes are presented in the following manner: appropriation amounts shown in ~~strikeout~~ are those that appear in the enrolled bill; amounts shown directly below ~~strikeout~~ amounts reflect the effect of the veto.

Line Item Summaries are available on the HFA website (www.house.mi.gov/hfa), or from Kathryn Bateson, Administrative Assistant (373-8080 or kbateson@house.mi.gov).

A handwritten signature in black ink that reads "Mary Ann Cleary".

GLOSSARY

STATE BUDGET TERMS

Line Item

Specific funding amount in an appropriation bill which establishes spending authorization for a particular program or function.

Boilerplate

Specific language sections in an appropriation bill which direct, limit, or restrict line-item expenditures, express legislative intent, and/or require reports.

Lapse

Appropriated amounts that are unspent or unobligated at the end of a fiscal year; appropriations are automatically terminated at the end of a fiscal year unless otherwise provided by law.

Work Project

Account authorized through statutory process which allows appropriated spending authorization from one fiscal year to be utilized for expenditures in a succeeding fiscal year or years for a specific project or purpose.

APPROPRIATIONS AND FUND SOURCES

Appropriations

Authority to expend funds for a particular purpose. An appropriation is not a mandate to spend.

Gross: Total of all applicable appropriations in an appropriation bill.

Adjusted Gross: Net amount of gross appropriations after subtracting interdepartmental grants (IDGs) and intradepartmental transfers (IDTs).

Interdepartmental Grant (IDG) Revenue

Funds received by one state department from another state department—usually for service(s) provided.

Intradepartmental Transfer (IDT) Revenue

Funds transferred from one appropriation unit to another within the same departmental budget.

Federal Revenue

Federal grant or match revenue; generally dedicated to specific programs or purposes.

Local Revenue

Revenue received from local units of government for state services.

Private Revenue

Revenue from non-government entities: rents, royalties or interest payments, payments from hospitals or individuals, or gifts and bequests.

State Restricted Revenue

State revenue restricted by the State Constitution, state statute, or outside restriction that is available only for specified purposes; includes most fee revenue; at year-end, unused restricted revenue generally remains in the restricted fund.

General Fund/General Purpose (GF/GP) Revenue

Unrestricted general fund revenue available to fund basic state programs and other purposes determined by the legislature; unused GF/GP revenue lapses to the General Fund at the end of a fiscal year.

MAJOR STATE FUNDS

General Fund

The state's primary operating fund; receives state revenue not dedicated to another state fund.

School Aid Fund (SAF)

A restricted fund that serves as the primary state funding source for K-12 schools and Intermediate School Districts. Constitutionally, SAF revenue may also be used for postsecondary education.

Budget Stabilization Fund

The Countercyclical Economic and Budget Stabilization Fund (also known as the "rainy day fund"); the Management and Budget Act provides guidelines for making deposits into and withdrawals from the fund.

SCHOOL AID

The School Aid budget, Article I of the School Aid Act, provides funding for the state's local school districts, public school academies (PSAs) and intermediate school districts (ISDs). It also includes a limited number of grants to other entities.

Section 11j – School Bond Redemption Fund	\$111,000,000	Payment to School Bond Redemption Fund in the Department of Treasury to make debt service payments on behalf of districts that participate in the School Bond Qualification and Loan Program. Districts qualify for loans if the number of mills necessary to repay a district's capital bonds exceeds 7.
		Funding Source(s): Restricted 111,000,000
