Lapses: Appropriation amounts that are unspent/unobligated at the end of a fiscal year. Appropriations are automatically terminated at the end of a fiscal year unless otherwise provided by law.

APPROPRIATION BILL TERMS

Line Item: Specific funding amount in an appropriation bill which establishes spending authorization for a particular program or function (may be for a single purpose or for multiple purposes).

Boilerplate: Specific language sections in an appropriation bill which direct, limit or restrict line item expenditures, express legislative intent, and/or require reports.

General Fund/General Purpose (GF/GP): Unrestricted General Fund revenue available to fund any activity accounted for in the General Fund; unused GF/GP revenue lapses to the General Fund at the end of a fiscal year.

Federal Revenue: Federal grant or matchable revenue dedicated to specific programs.

Local Revenue: Revenue from local units of government.

Private Revenue: Revenue from non-government entities: rents, royalties or interest payments, payments from hospitals or individuals, and gifts and bequests.

Intradepartmental Transfer (IDT): Transfers or funds being provided from one appropriation unit to another in the same department.

MAJOR STATE FUNDS

Budget Stabilization Fund (BSF): The countercyclical economic and budget stabilization fund; also known as the "rainy day" fund.

School Aid Fund (SAF): A restricted fund; the primary funding source for K-12 schools and Intermediate School Districts (ISDs).

General Fund: The General Fund (funded from taxes and other general revenue) is used to account for the ordinary operations of a governmental unit that are not accounted for in another fund.
