Overview

The Department of Insurance and Financial Services (DIFS) is responsible for licensing, evaluating, regulating, and promoting the insurance and financial industries operating within the state and providing consumer protection for Michigan residents by managing consumer information and inquiries and investigating consumer complaints. DIFS administers, implements, and enforces state statutes pertaining to state-chartered banks, credits unions, mortgage lenders, consumer finance entities, insurance companies and agents, health maintenance organizations, and various consumer finance entities. DIFS is organized into the offices of Banking, Consumer Finance, Credit Unions, Insurance Evaluation, Insurance Rates and Forms, Insurance Licensing and Market Conduct, Consumer Services, General Counsel, Finance and Administrative Services, and Policy. Additionally, DIFS administers the Autism Coverage Reimbursement Program created by Public Act 101 of 2012.

DIFS was created by Executive Order 2013-1 through the transfer of the authority, powers, duties, functions, and responsibilities of the former Office of Financial and Insurance Regulation and functions of the Autism Coverage Reimbursement Program from the Department of Licensing and Regulatory Affairs.

Major Budget Changes From FY 2013-14 YTD Appropriations

1. Autism Coverage Fund

Executive eliminates appropriation for the Autism Coverage Fund which supports the Autism Coverage Reimbursement Program established by 2012 PA 101. Of the \$26.0 million GF/GP appropriated for the non-lapsing Autism Coverage Fund over the past two years, as of 12/03/13 \$501,937 has been paid to insurance carriers for reimbursement of claims for diagnosis and treatment of autism spectrum disorders. DIFS anticipates that claims for reimbursement will substantially increase during FY 2014-15 but estimates that there is currently sufficient money in the Autism Coverage Fund to cover these claims. House concurs.
