Overview

The Higher Education budget, contained in Article III of the compiled School Aid Act, provides funding for operational support of the state's 15 public universities, the AgBioResearch and Extension programs operated by Michigan State University, various financial aid programs for students attending public and independent colleges and universities in the state, and several other smaller higher education-related programs.

Major Budget Changes From FY 2016-17 YTD Appropriations

1. University Operations Grants

Executive increases university operations funding by \$35.0 million GF/GP, a 2.5% increase. The increase is distributed under the performance funding formula, where 50% is allocated based on each university's share of operational funding appropriated in the baseline year of FY 2010-11, while the remaining increase is distributed based on other formula components (weighted completions, research and development spending, and comparison to Carnegie peers). Attainment of performance funding would be conditioned on restraining resident undergraduate tuition and fee increases to 3.8%, which is double the rate of inflation (set at 4.2% in the current year), or \$475. Projected funding increases for individual universities range from 1.9 to 3.4%.

	FY 2016-17 Year-to-Date (as of 2/8/17)	FY 2017-18 House Change

Restricted	231,219,500	0
GF/GP	\$1,169,125,500	\$26,600,000

House increases university operations funding by \$26.6 million GF/GP, a 1.9% increase. The House concurs with the use of the performance formula distribution measures and the condition that resident undergraduate tuition and fee increases must be restrained to 3.8% or \$475, whichever is greater. Projected funding increases for individual universities range from 1.5 to 2.6%

2. Tuition Incentive Program

Executive increases funding for Tuition Incentive Program by \$5.3 million in federal Temporary Assistance for Needy Families (TANF) funds, a 10% increase, which pays for Medicaid-eligible students' tuition costs for associate's degrees. Also includes a fund shift of \$4.7 million from GF/GP to federal TANF funding, bringing total funding to \$58.3 million TANF.

	Gross	FY 2017-18 House Change

GF/GP	48,300,000	10,000,000
