Overview

Currently, the following departmental and agency budgets are included in the General Government budget: Executive Office, Legislature, Legislative Auditor General, and the Departments of Attorney General, Civil Rights, State, Technology, Management, and Budget (including the former Departments of Civil Service and Information Technology, and State Building Authority rent costs), Treasury (including the Bureau of State Lottery, Michigan Gaming Control Board, State Building Authority, Revenue Sharing, and Debt Service), and Talent and Economic Development (including Michigan Strategic Fund, Michigan State Housing Development Authority, Talent Investment Agency, Unemployment Insurance Agency, and Workforce Development Agency). **Budget issues are listed by department on the following pages.**

Major Boilerplate Changes From FY 2017-18

Sec. 210. Budget Stabilization Fund Pay-In – REVISED

The FY 2017-18 pay-in was \$150.0 million, which was appropriated in appropriations act 2017 PA 107. For FY 2018-19, the Executive recommends including a pay-in of \$0.0, however, 25% of the GF/GP appropriation lapses for FY 2017-18 would be required to be deposited in the Budget Stabilization Fund. House recommends no pay-in.

Sec. 216. Receipt and Retention of Required Reports – RETAINED

Requires departments to receive and retain copies of all reports required in Article VIII; requires federal and state guidelines to be followed for short-term and long-term retention of records; authorizes departments to electronically retain copies of reports unless otherwise required by federal and state guidelines. Executive deletes. House retains.

Sec. 217. Fund Sourcing Priorities – RETAINED

Requires federal or private grant funding to be used prior to General Fund appropriations when available for the same expenditure. Executive deletes. House retains.

Sec. 218. Disciplinary Action Against State Employees – RETAINED

Prohibits departments from taking disciplinary action against employees for communicating with legislators or their staff. Executive deletes. House retains.

Sec. 221. Reporting Requirement on Policy Changes – RETAINED

Requires departments to report on policy changes made in order to implement enacted legislation. Executive deletes. House retains.

Sec. 229. Initiatives and Recommendations Related to Savings Identified in Audit Reports – RETAINED

Requires departments to report on their efforts and progress made toward achieving savings and efficiencies identified by the auditor general in audit reports. Executive deletes. House retains.

Sec. 235. Federal Funding Contingency Plan – RETAINED

Requires the State Budget Director, in consultation with the appropriate department, to recommend a contingency plan for the federal funding reduction. Requires report by April 1. Executive deletes. House retains.

Major Boilerplate Changes From FY 2017-18

Sec. 240. New Program Metrics – REVISED

Requires the State Budget Office provide a list of new programs and program enhancements that exceed \$500,000. Also requires identified programs to use program-specific measuring metrics in addition to the metrics required under Section 447 of the Management and Budget Act. The State Budget Office shall provide a report on the metrics and performance progress of identified programs by September 30. Express intent that future program funding increases be based on prior performance. Executive revises the due date of the required report and does not include the stated intent of the Legislature that the Governor consider performances of new programs as the basis for any increase in funds appropriated from the prior year. House concurs.

Overview

The Michigan Civil Rights Commission is charged with investigating alleged discrimination against any person because of religion, race, color, national origin, sex, age, marital status, height, weight, arrest record, or physical and mental disabilities. The Commission is directed to "secure the equal protection of such civil rights without such discrimination." The Department of Civil Rights serves as the administrative arm charged with implementing policies of the Commission. The department works to prevent discrimination through educational programs that promote voluntary compliance with civil rights laws, investigates and resolves discrimination complaints, disseminates information on the rights and responsibilities of Michigan citizens as provided by law, and provides information and services to businesses on diversity initiatives, equal employment law, procurement opportunities, feasibility studies, and joint venture/strategic alliance matchmaking.

Overview

This budget provides funding for the Legislative branch of state government, including the Legislative Council and agencies it governs, the Legislative Retirement System, and Property Management. The Legislature enacts the laws of Michigan, levies taxes, and appropriates funding from revenue collected for the support of public institutions and the administration of the affairs of state government. The Legislative Council provides a wide variety of essential services to members and staff of the Legislature. The Michigan Legislative Retirement System provides retirement allowances, survivors' allowances, and other benefits for members of the Legislature and their spouses, dependents, survivors, and beneficiaries. Property Management employees maintain, operate, and repair the Cora Anderson House of Representatives Office Building and Binsfield Senate Office Building. The Michigan State Capitol Historic Site includes the Capitol Building, its grounds and parking lot, and the Michigan State Capitol Commission.

Overview

The Legislative Auditor General is responsible for conducting post financial and performance audits of state government operations. Audit reports provide a continuing flow of information to assist the Legislature in its oversight of approximately 100 individual state funds. Audit reports provide citizens with a measure of accountability and assist state departments and agencies in improving financial management of their operations. The goal of the Legislative Auditor General is to improve accounting and financial reporting practices and promote effectiveness, efficiency, and economy in state government. The mission is to improve the accountability of public funds and to improve the operations of state government for the benefit of the citizens of the state.

Overview

The Department of State (DOS) is the oldest department in Michigan state government. It is administered by the Secretary of State, an elected official who serves a four-year term of office and has constitutional and statutory duties. Services provided by the department include: registering and titling automobiles, watercraft, and recreational vehicles; regulating automobile dealers and repair facilities; registering voters and administering elections; and streamlining the collection of revenue. The department operates programs designed to enhance driver safety, protect automotive consumers, and ensure the integrity of both the motor vehicle administration system and the statewide elections process.

Overview

The Department of Treasury is the chief fiscal agency of the state and the primary source of advice to the Governor on tax and fiscal policy issues. The Department's mission is to collect state taxes; to invest, control, and disburse state monies; and to protect the state's credit rating and that of its cities. The Department manages one of the nation's largest pension funds, administers revenue sharing, and administers the student financial aid programs. It also investigates fraudulent financial activity, provides assistance on all property tax-related issues and advises issuers of municipal obligations. The Bureau of State Lottery, the Michigan Gaming Control Board (MGCB), and State Building Authority (SBA) are autonomous agencies housed within the Department of Treasury.

Major Boilerplate Changes From FY 2017-18

Sec. 902a. Notification of Bond Refinancing and Restructuring – RETAINED

Requires Department of Treasury to report, within 30 days after a new refinancing or restructuring bond sale, on the annual debt service changes, change in principal and interest over the duration of the debt, and the projected change in present value of the debt service due to the refinancing. Executive deletes section. House retains current law.

Sec. 903. Tax Collection Contracts – REVISED

Authorizes Treasury to contract with private collection agencies and law firms to collect taxes, accounts due the state, defaulted student loans, and accounts due to Michigan guaranty agencies; provides funds for collection costs and fees; requires report of agencies used, amounts collected, cost of collection, and other information. Requires amounts appropriated for defaulted student loan collections from exceeding 24.34% of the collection or a lesser amount prescribed in the contract. Requires department to issue an RFP for a secondary placement collections program. Allows for a multiple contract approach for a bidder to bid on a part or the entirety of the contract for primary and secondary collections. Executive revises to eliminate requirement that department issue an RFP for a secondary placement collections program. House concurs.

Sec. 936. Financial Data Analytical Tool Guidance – RETAINED

Requires funds appropriated in part 1 to be for reimbursement to counties, cities, villages, and townships for the cost of a data analytical tool that provides financial data analysis and early warning analysis. Requires DTMB to provide between 2 and 4 approved vendors by October 15, 2017. Executive deletes section. House retains current law; updates dates.

Sec. 940. Principal Residence Exemption Administration Feasibility Study – NEW

Requires the Department of Treasury to study the feasibility of requiring homeowners to file principal residence exemption documents directly with the Department of Treasury. House includes as new section.

Sec. 943. Medical Marijuana Closed-Loop Payment System – RETAINED

Authorizes the Department of Treasury to establish a closed-loop payment processing and digital patient identification delivery and authentication system under which the department creates accounts to be used only by registered participants. Executive deletes section. House retains current law.

Sec. 944. Pension Plan Consultant Report – RETAINED

Requires Treasury to retain a copy of any report received from a pension plan consultant and make available upon request. A notification that a report was received shall be made to the subcommittees on General Government, fiscal agencies, and State Budget Director. Included in the notification shall be a rationale for the retention of a pension plan consultant. Executive eliminates requirement that notification shall include a rationale for the retention of a pension plan consultant. House retains current law.

Major Boilerplate Changes From FY 2017-18

Sec. 949g. Urban Search and Rescue Task Force – RETAINED

Allocates \$900,000 to the urban search and rescue task force. Requires the task force to provide reports on FY 2016-17 revenues and expenditures, proposed FY 2017-18 grant expenditures, and a final report on FY 2017-18 grant expenditures. Executive deletes section. House retains current law.

Sec. 949k. Transformational Brownfield Plan Payments – NEW

Appropriates an amount sufficient to recognize and pay an amount equal to the captured tax revenues due under approved Transformational Brownfield Plans, as provided by law. Executive includes as new section. House concurs.

TREASURY – REVENUE SHARING

Sec. 952. City, Village, and Township (CVT) Revenue Sharing and County Incentive Program – REVISED

Specifies distribution of \$248.8 million to all CVTs with a population of 7,500 or more by providing an eligible payment equal to 100% of the FY 2016-17 payment to all CVTs that were eligible for a payment in FY 2016-17. In order to qualify for its eligible payment, a CVT is required to comply with the items listed under accountability and transparency. To qualify for county incentive payment, counties are required to comply with the items listed under accountability and transparency. Any unexpended funds are directed to be deposited in the Financial Distressed CVTs program in Sec. 956, subject to approval of transfers. Executive revises to distribute \$243.0 million to all CVTs that received a payment above \$4,500 in Sec. 950(2) of 2009 PA 128. CVTs would be eligible to receive a payment equal to 78.51044% of its payment received under Sec. 950(2) of 2009 PA 128 if transparency and accountability requirements are met. House retains current law due to retention of current funding levels.

Sec. 957. Supplemental City, Village, and Township Revenue Sharing – REVISED

Specifies distribution of \$6.2 million GF/GP appropriated in part 1 to support supplemental revenue sharing payments. Payments would be provided to CVTs on a per capita basis equal to \$0.81198 per person. House revises to distribute \$3.1 million GF/GP on a per capita basis equal to \$0.40599 per person.

TREASURY – BUREAU OF STATE LOTTERY

Sec. 964. Promotion and Advertising Appropriation – RETAINED

Appropriates 1% of the Bureau of State Lottery's prior fiscal year's gross sales or \$30.0 million, whichever is less, for promotion and advertising. Executive revises to authorize the Bureau of State Lottery to spend 1% of the prior fiscal year's gross sales for promotion and advertising. House retains current law.

TREASURY - CASINO GAMING

Sec. 978. Racing Commission Regulatory Changes – RETAINED

Requires the Michigan Gaming Control Board to determine the actual regulatory costs of conducting race dates; it would limit reimbursement to actual expenses; and the language specifies that in the case of reduced revenues, race dates can be reduced, after consultation with certified horsemen's organizations. Executive revises to eliminate language stating that if a certified horsemen's organization funds more than the actual regulatory cost, the balance shall remain in the agriculture equine industry development fund to fund subsequent race dates. Also strikes language stating that if a horsemen's organization funds less than the actual regulatory costs of the additional horse racing dates, the MGCB shall reduce the number of future race dates conducted by race meeting licensees with which the certified horsemen's organization has contracts. House retains current law.

Overview

The Department of Talent and Economic Development (DTED) includes the Michigan Strategic Fund, Talent investment Agency, Workforce Development Agency, Unemployment Insurance Agency, Land Bank Fast Track Authority, and Michigan State Housing Development Authority. Collectively, DTED includes programs and resources designed to increase job creation, job preparedness, job training, economic development, and create and preserve safe and affordable housing in the State of Michigan.

Major Budget Changes From FY 2017-18 YTD Appropriations

1. Business Attraction and Community Revitalization

Executive reduces by \$5.1 million Gross (\$7.1 million GF/GP). The GF/GP reduction of \$7.1 million is partially offset by shifting \$2.0 million in 21st Century Jobs Trust Fund from Entrepreneurship Eco-System. House reduces by \$15.5 million Gross (\$20.0 million GF/GP). House reduction transfers \$2.0 million 21st Century Jobs Trust Fund from Entrepreneurship Eco-System to concur with Executive and transfers an additional \$2.5 million 21st Century Jobs Trust Fund from Pure Michigan to realize additional GF/GP savings. Section 1047 allocates \$500,000 of total to the Southern Michigan Center for Science and Industry for a new pilot program.

	FY 2017-18 Year-to-Date (as of 2/7/18)	FY 2018-19 House Change
