Major Boilerplate Changes From FY 2017-18

Sec. 216. Disciplinary Action Against State Employees – RETAINED

Forbids the department from taking disciplinary actions against employees who communicate with the Legislature. Executive deleted. House retains.

Sec. 220. Privatization Project Plans – RETAINED

Requires the department to develop a project plan and present it to the Legislature 90 days prior to beginning any effort to privatize any department services. Executive deleted. House retains.

Sec. 223. Training and Publication Fees – NEW

Allows the department to establish and collect fees to defray the printing and mailing costs for the distribution of publications, videos and related materials; and the costs of workshops and conferences. Forbids the department from collecting fees in excess of the costs of the activities provided in this section. Executive included. House concurs.

Sec. 402. Criminal Justice Information Center – RETAINED

Requires the department to maintain and ensure compliance with Criminal Justice Information Center databases and applications. Executive revised to remove the concealed weapon enforcement fund revenue reporting requirement. House retains.

Sec. 407. School Safety Grants and Inspections – NEW

House includes annual reporting requirements for school safety grants and inspections, which includes grant amounts awarded to each school district; safety grades assigned to school buildings; state and national incidents that occurred between the annual March 30 reporting date; recommended, emerging school safety practices and improvements; and expenses incurred by the School Safety Commission in performing its duties.

Sec. 701. Special Operations – REVISED

Specifies the department's specialized service requirements. Executive revised to require the department to increase the Michigan Cyber Command Center's casework by 25% above the activity level observed in FY 2017-18. House concurs.

Major Boilerplate Changes From FY 2017-18

Sec. 704. Emergency Management and Homeland Security – RETAINED

Specifies the department's role in coordinating emergency preparation and response efforts. Executive revised to remove quarterly reporting requirement on the status of infrastructure vulnerabilities in the state. House retains.

Sec. 901. Sexual Assault Prevention and Education Initiative – REVISED

Provides requirements for the one-time appropriation for grants to institutions of higher education to assist in preventing campus sexual assault through sexual assault education, awareness training, prevention, reporting, and bystander intervention programs. House revises to expand authorized uses of grant funds by institutions of higher education, to include supporting student-led peer advocacy groups that are dedicated to student outreach, survivor support, advocating for campus improvements such as additional lighting, as well as other methods of sexual assault prevention.

Sec. 902. Advanced 9-1-1 – RETAINED

Provides requirements for the one-time appropriation for grants to public safety answering points to implement supplemental databases, which allow public safety answering points to view voluntarily disclosed supplemental health and safety information when receiving emergency calls. Executive deleted. House retains.

Sec. 903. Michigan International Speedway Traffic Control – NEW

House includes requirements that the funds provided for Michigan International Speedway traffic control be used as matching funds to support the department for traffic control operations at Michigan International Speedway events, such as automobile races, music concerts, and any other event in which department traffic control services are requested. Michigan International Speedway would be required to provide the department with half of the overall costs of department-provided traffic control services prior to the department providing any services that utilize these appropriations. The department would not be required to provide traffic control services for Michigan International Speedway events, if remaining funds do not cover a minimum of half the costs of providing traffic control services for any event.

Sec. 1001. Anticipated Appropriations – RETAINED

Establishes the intent of the Legislature to provide appropriations in the subsequent fiscal year, with adjustments reflecting expected revenues as determined by the Consensus Revenue Estimating Conference. Executive deleted. House retains.
