The Center shall work with the Michigan Community College Association and in cooperation with the Michigan Association of Secondary School Principals.	Sec. 224. Using the data provided by the community colleges as required under section 219 of this act, the center shall use the P-20 longitudinal data system to inform interested Michigan high schools and the public of the aggregate academic status of its students for the previous academic year. The Center shall work with the Michigan Community College Association and in cooperation with the Michigan Association of Secondary School Principals. Community colleges shall cooperate with the center to maintain a systematic approach for accomplishing this work.	Concurs with Executive	Concurs with House

operations under section 201(2) for	Unchanged	Updates dates	Updates dates	Updates dates
local strategic value shall be allocated				
to each community college that				
certifies to the state budget director,				
through a board of trustees resolution				
on or before October 15, 2016, that the				
college has met 4 out of 5 best				
practices listed in each category				
described in subsection (3). The				
resolution shall provide specifics as to				
how the community college meets				
each best practice measure within				
each category. One-third of funding				
available under the strategic value				
component shall be allocated to each				
category described in subsection (3). Amounts distributed under local				
strategic value shall be on a				
proportionate basis to each college's				
fiscal year 2015-2016 operations				
funding. Payments to community				
colleges that qualify for local strategic				
value funding shall be distributed with				
the November installment payment				
described in section 206.
