(2) The department of state may sell and accept paid advertising for placement in a departmental publication that is prepared and disseminated under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923. The department may charge and receive a fee for any advertisement appearing in a departmental publication and shall review and approve the content of each advertisement. The department may refuse to accept advertising from any person or organization. The department may furnish a reasonable number of copies of a publication to an advertiser at no charge.				
(3) Pending expenditure, the funds received under this section shall be deposited in the Michigan department of state publications fund created by section 211 of the Michigan vehicle code, 1949 PA 300, MCL 257.211. Funds given, donated, or contributed to the department from a private source are appropriated and allocated for the purpose for which the revenue is furnished. Funds granted to the department from a public source are allocated and may be expended upon receipt. The department shall not accept a gift, donation, contribution, or grant if receipt is conditioned upon a commitment of state funding at a future date. Revenue received from the sale of advertising is appropriated and may be expended upon receipt.				
(4) Any unexpended revenues received under this section shall be carried over into subsequent fiscal years and shall be available for appropriation for the purposes described in this section.

	EXECUTIVE	HOUSE	SENATE	ENACTED
<p><i>Specifies distribution of \$2.5 million as grants to CVTs that have one or more conditions of probable financial distress; requires CVTs to work with Treasury to develop plan for grant funding and grants must be used for specific projects or services that move the CVT toward financial stability; grants are capped at \$2.0 million; funds are designated as work project; requires report.</i></p> <p><b>Sec. 956.</b> (1) The funds appropriated in part 1 for financially distressed cities, villages, or townships shall be granted by the department of treasury to cities, villages, and townships that have 1 or more conditions that indicate probable financial distress, as determined by the department of treasury. A city, village, or township with 1 or more conditions that indicate probable financial distress may apply in a manner determined by the department of treasury for a grant to pay for specific projects or services that move the city, village, or township toward financial stability. Grants are to be used for specific projects or services that move the city, village, or township toward financial stability. The city, village, or township must use the grants under this section to make payments to reduce unfunded accrued liability; to repair or replace critical infrastructure and equipment owned or maintained by the city, village, or township; to reduce debt obligations; or for costs associated with a transition to shared services with another jurisdiction; or to administer other projects that move the city, village, or township toward financial stability. The department of treasury shall award no more than \$2,000,000.00 to any city, village, or township under this section.</p>	<p><b>Sec. 956.</b> (1) No changes from current law.</p>	<p><b>Sec. 956.</b> (1) No changes from current law.</p>	<p><b>Sec. 956.</b> (1) No changes from current law.</p>	<p><b>Sec. 956.</b> (1) No changes from current law.</p>

## DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY - BOILERPLATE

FY 2021-22 CURRENT LAW	FY 2022-23			
	EXECUTIVE	HOUSE	SENATE	ENACTED
New Conference Language.				(9) From the funds appropriated in part 1 for economic development and workforce grants, \$10,000,000.00 shall be used by the department for sector strategies in key industries to support the creation of good and promising jobs that make Michigan's economy more resilient by addressing talent shortages in current and future growth sectors in every region of the state. Funds may be used for, but are not limited to, convening and developing employer-led collaboratives to address talent gaps, as well as for training and activities proposed by employer-led collaboratives to address identified workforce needs. Up to 3% of the funds appropriated for this section may be retained by the department for administration.
New Conference Language.				(10) From the funds appropriated in part 1 for economic development and workforce grants, \$10,000,000.00 shall be used by the department for the employment, reemployment, and removal of barriers for at-risk individuals, including the asset limited income constrained employed population, as defined by the United Way. Employment supports and barrier removal may include, but are not limited to, services focused on transportation, child care, clothing needs, tools for work, and other barriers that prevent individuals from entering and staying in the workforce. Up to 3% of the funds appropriated for this section may be retained by the department for administration.
New Conference Language.				(11) From the funds appropriated in part 1 for economic development and workforce grants, \$500,000.00 shall be awarded to a national, nonprofit program that connects National Guard, reserve, retired, and transitioning active-duty military service members with skilled training and quality career opportunities in the construction industry. Grant funding must be used to recruit and assist veterans to transition into apprenticeship programs in this state.
New Conference Language.				(12) From the funds appropriated in part 1 for economic development and workforce grants, \$10,000,000.00 shall be awarded to a nonprofit 501(c)(3) corporation with demonstrated effectiveness in the administration of an apprenticeship readiness program that increases the state's talent pool in building trades and construction, or other skilled trades occupations. The demonstrated effectiveness must include prior experience in administering programs in multiple regions in Michigan. The apprenticeship readiness program shall enroll Michigan residents into pre-apprenticeship training that will assist them in achieving employment in the expanding building trades and construction industry, or skilled trades occupations in other industries. The program shall prioritize pre apprenticeship training in economically distressed communities and target residents from underrepresented populations, including, but not limited to, unemployed, underemployed, low-income, minorities, and women, providing them with the skills needed for immediate entry into federally registered apprenticeship programs with contractors in the building trades and construction industry, or skilled trades occupations in other industries.
New Conference Language.				(13) From the funds appropriated in part 1 for economic development and workforce grants, \$5,000,000.00 shall be awarded to a regional skilled trades council focused on engaging K-12 students, teachers, and counselors to expand awareness around skilled trades opportunities and careers, and the ability to engage with industry professionals.
