<p><i>Authorizes Travel Michigan to receive and expend private revenue related to use of copyrighted slogans and images; requires revenue generated to be used to market the state as a travel destination; requires report on source of revenues received if the fund receives the revenue from the use of "Pure Michigan."</i></p> <p>Sec. 1005. In addition to the appropriations in part 1, Travel Michigan may receive and expend private revenue related to the use of "Pure Michigan" and all other copyrighted slogans and images. This revenue may come from the direct licensing of the name and image or from the royalty payments from various merchandise sales. Revenue collected is appropriated for the marketing of this state as a travel destination. The funds are available for expenditure when they are received by the department of treasury. If the fund receives revenues from the use of "Pure Michigan", the fund shall provide a report that lists the revenues by source received from the use of "Pure Michigan" and all other copyrighted slogans and images. The report shall provide a detailed list of expenditures of revenues received under this section. The report shall be provided to the chairpersons of the senate and house of representatives standing committees on appropriations, the relevant senate and house of representatives appropriations subcommittees, the house and senate fiscal agencies, and the state budget director by March 1.</p>	<p><u>MICHIGAN STRATEGIC FUND</u></p> <p>Sec. 11-1005. New Conference language					Sec. 1015. (1) From the funds appropriated in part 1 for Michigan enhancement grants, the department shall allocate \$1,000,000.00 to a housing commission in a county with a population between 160,300 and 160,370 according to the most recent federal decennial census to support affordable housing projects and housing services to residents.
New Conference language (continued)					(2) From the funds appropriated in part 1 for Michigan enhancement grants, the department shall allocate \$1,000,000.00 to a 501(c)(3) nonprofit organization located in a city with a population between 36,000 and 39,000 according to the most recent federal decennial census for the renovation and preservation of a historic building built in 1889 that was recently owned by the local public school system.
New Conference language (continued)					(3) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded to a nonprofit that operates a program that satisfies all of the following conditions: (a) The program provides services to parolees and probationers assessed by the department of corrections as moderate- or high-risk to recidivate. (b) The program provides job readiness training, transitional employment, job coaching and placement, and postplacement retention services. As part of the transitional employment program phase, the nonprofit program shall provide low-skill, crew-based services to other state agencies. (c) The program has been independently and rigorously evaluated and shown to reduce recidivism. (d) The program demonstrates an ability to serve multiple jurisdictions across this state.
New Conference language (continued)					(4) From the funds appropriated in part 1 for Michigan enhancement grants, the department shall allocate \$200,000.00 to a women's mentoring and scholarship program that is headquartered in a county with a population between 1,000,000 and 1,500,000 according to the most recent federal decennial census.
New Conference language (continued)					(5) From the funds appropriated in part 1 for Michigan enhancement grants, the department shall allocate \$500,000.00 to a youth engagement and adult re-engagement nonprofit center in a city with a population greater than 600,000 according to the most recent federal decennial census.
New Conference language (continued)					(6) From the funds appropriated in part 1 for Michigan enhancement grants, the department shall allocate \$300,000.00 to an entity developing an initiative based on the United States Department of Labor YouthBuild model that will serve emancipated youth and emerging adults ages 16 to 24 that have vulnerable circumstances preventing them from engaging in education, professional training, and ultimately living wage employment opportunities, and that is located in a township with a population between 1,808 and 1,810 in a county with a population between 132,000 and 135,000 according to the most recent federal decennial census for a youth career development program.

New language	Conference				Sec. 1016. From the funds appropriated in part 1 for Michigan nurse scholarship, the department shall allocate \$3,000,000.00 to a statewide nonprofit foundation to support a scholarship program for nursing students or existing nurses seeking advanced degrees or certifications in this state. Funds allocated may also be used to provide wrap around supports to participating students or nurses.
New language (continued)	Conference (continued)				Sec. 1017. (1) From the funds appropriated in part 1 for minority owned business support, the department shall award grants to minority-owned businesses or nonprofit business organizations to implement small business development initiatives for minority-owned businesses in this state.
New language (continued)	Conference (continued)				(2) Funds awarded to nonprofit business organizations may be used for activities that support or develop small businesses, including but not limited to technical assistance, grants, incubation, access to capital or other financing opportunities.
New language (continued)	Conference (continued)				(3) Subject to any existing regulations, the department may award direct grants to eligible small businesses in this state. The department shall ensure any direct business grants have clear metrics to grow small business or job creation.
New language (continued)	Conference (continued)				(4) The department shall seek opportunities to award funds in a geographically diverse manner for any eligible activities under this section.
New language (continued)	Conference (continued)				(5) Consistent with the requirements of this section, funds shall be allocated subject to the following: (a) The department shall seek to award not less than 25% of funds in part 1 to support small businesses in alternative energy sectors, including electric vehicles. For purposes of this section, electric vehicles also include the development of Michigan-based small businesses that manufacture, deploy, or design the charging infrastructure or equipment that will support electric vehicles. (b) \$500,000.00 shall be awarded to a nonprofit economic development organization located in a city with a population between 106,000 and 108,000 in a county with a population between 280,000 and 290,000 according to the most recent federal decennial census for a business accelerator program and other activities in subsection (2). (c) \$500,000.00 shall be awarded to a nonprofit business alliance located in a city with a population over 600,000 according to the most recent federal decennial census that operates at least entrepreneur capital connect and technical assistance programs.
New language (continued)	Conference (continued)				(6) The department shall issue a report to the house and senate appropriations committees, and post on their website not later than September 30 of each year, until funds have been expended. At a minimum, the report shall identify the number of awards granted, the amount of each award, the recipient and purpose, and any recommendations to improve the future distribution of funds to eligible entities under this section.
New language (continued)	Conference (continued)				(7) The department may retain not more than 2% to administer this section or to promote the availability of funds.
New language (continued)	Conference (continued)				(8) The unexpended funds appropriated in part 1 for Statewide Minority Business and Entrepreneurial Support Initiatives are designated as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a: (a) The purpose of the project is to implement Statewide Minority Business and Entrepreneurial Support Initiatives. (b) The project will be accomplished by utilizing state employees, the Michigan economic development corporation, or contracts. (c) The total estimated cost of the project is \$10,000,000.00. (d) The tentative completion date is September 30, 2028.

		EXECUTIVE	HOUSE	SENATE	ENACTED
New Conference language (continued)					(16) From the funds appropriated in part 1 for public safety grants, \$900,000.00 shall be awarded to a county sheriff's department located in a county with a population of between 109,000 and 109,500 according to the most recent federal decennial census for the purchase of equipment.
New Conference language (continued)					(17) From the funds appropriated in part 1 for public safety grants, \$200,000.00 shall be awarded to a county with a population of between 154,300 and 154,400 according to the most recent federal decennial census for a jail study.
New Conference language (continued)					(18) From the funds appropriated in part 1 for public safety grants, \$150,000.00 shall be awarded to a charter township with a population of between 5,800 and 6,000 located in a county with a population of between 66,000 and 66,100 according to the most recent federal decennial census for self-contained breathing apparatus equipment for the fire department.
New Conference language (continued)					(19) From the funds appropriated in part 1 for public safety grants, \$50,000.00 shall be awarded to a city with a population of between 9,300 and 9,400 located in a county with a population greater than 1,700,000 according to the most recent federal decennial census for a police vehicle.
New Conference language (continued)					(20) From the funds appropriated in part 1 for public safety grants, \$30,000,000.00 must be used in a county with a population greater than 1,500,000 and primarily in a city with a population greater than 600,000 according to the most recent federal decennial census to develop, construct, manage, and operate a freeway video feed system to aid law enforcement efforts against criminal activities and suspects. The freeway video feed system funded under this section is subject to all of the following constraints: (a) The system shall be used for only legitimate law enforcement purposes in relation to violent or felony crimes. (b) The system shall not use or facilitate the use of facial recognition technology. (c) The system shall not be used in any way to enforce or monitor violations of traffic or other civil laws. (d) The system's cameras shall be positioned to cover public spaces only and the use of any video or image from a private area not visible at street level is strictly prohibited. (e) The system shall be utilized only by law enforcement agencies that have adopted policies, rules, or regulations that are consistent with this section and that include mandatory penalties for misuse.
New Conference language (continued)					(21) From the funds appropriated in part 1 for public safety grants, \$5,000,000.00 must be allocated to a district court located in a charter township with a population between 54,900 and 57,000 and a county with a population between 350,000 and 395,000 according to the most recent federal decennial census. Funding must be used for new construction or renovation of existing structures to facilitate security enhancements, public safety, accessibility, and efficiency of court operations. Improvements may include, but are not limited to, the following: (a) Uniform security coverage. (b) Site enhancements, approach, visuals, and separations. (c) Swift lockdown capabilities. (d) Increased separation in the circulation of the public, staff, and individuals in custody. (e) Ballistic barriers. (f) Enhanced and increased surveillance systems. (g) Compliance with the Americans with disabilities act of 1990, Public Law 101-336. (h) Improved interior environment. (i) Additional functional space. (j) Energy and operational efficiencies.
New Conference language (continued)					(22) From the funds appropriated in part 1 for public safety grants, \$1,800,000.00 shall be awarded to a city with a population between 15,000 and 16,000 located in a county with a population between 95,000 and 95,500 and in a county with a population of between 22,000 and 22,500 according to the most recent federal decennial census to support the purchase of an aerial ladder fire truck.

		EXECUTIVE	HOUSE	SENATE	ENACTED
New language	Conference				Sec. 1029. (1) From the funds appropriated in part 1 for transformational municipal infrastructure, the department shall allocate funds to support the development costs of a city campus plan located in a municipality with a population between 106,000 and 108,000 in a county with a population between 280,000 and 290,000 according to the most recent federal decennial census. Funds utilized for a city campus must include the modernization of a municipal administration campus that will improve customer service and public accessibility, increase building efficiencies, modernize aging facilities, and improve downtown commerce and redevelopment.
New language (continued)	Conference				(2) Funds allocated under this section shall support the development costs of a new city campus plan in the downtown corridor. For purposes of this section, a city campus plan includes, but is not limited to, a municipal administration building, facilities, and adjacent infrastructure.
New language (continued)	Conference				(3) Consistent with subsection (2), development costs may include any of the following: (a) Property acquisition. (b) Planning, design, and engineering costs. (c) Construction of a new city administration building owned by the applicant for funds under this section. (d) Adjacent infrastructure improvements, including facades, fixtures, equipment, greenspace, streetscapes, utilities, or lighting.
New language (continued)	Conference				(4) In addition to other requirements under this section, the department may require submission of supporting documentation, including, but not limited to, any of the following: (a) A detailed project scope and budget. (b) Demonstration of a competitive bid process. (c) Public support or community engagement activities. (d) Plan designs or engineering documents, including environmental or economic impact. (e) Historic preservation considerations or evaluation of alternative options. (f) Existing or other planned downtown improvement activities that complement, maximize, or leverage a city campus plan funded under this section. (g) If applicable, plans to transition any existing public safety facilities currently located at an existing campus to new facilities.
New language (continued)	Conference				(5) The city campus plan funded under this section must identify any opportunities to leverage efficiencies with other governmental entities in a municipal administration building as part of the city campus plan. If excess space is available, the applicant for funds under this section shall seek to provide space for community-based organizations or to serve residents.
New language (continued)	Conference				(6) The department shall verify the applicant has complied with this section and all applicable state laws or regulations. To the greatest extent possible, the department shall make funds available by December 15, 2023 to begin implementation of a city campus plan.
New language (continued)	Conference				(7) The unexpended funds appropriated in part 1 for transformational municipal infrastructure are designated as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a: (a) The purpose of the project is to support the costs of a city campus plan. (b) The project will be accomplished by utilizing state employees, contracts with vendors, or local partners. (c) The estimated cost of the project is \$40,000,000.00. (d) The tentative completion date is September 30, 2027.
