EXECUTIVE

SENATE

HOUSE

The following changes have been made throughout this document:

- The word "act" has been replaced with the word "bill".
- The department(s) name has been changed to "Department of Natural Resources and Environment".
- References to the Department of Environmental Quality or the Department of Natural Resources have been changed to "the Department."
- The Subcommittee on Appropriations name has been changed to "Subcommittee on Natural Resources and Environment".

GENERAL SECTIONS

Payments to local governments.

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state resources under part 1 for fiscal year 2009-2010 is \$432,854,500.00 and state spending from state resources to be paid to local units of government for fiscal year 2009-2010 is \$10,722,000.00. The itemized statement below identifies appropriations from which spending to local units of government will occur:

DEPARTMENT OF ENVIRONMENTAL QUALITY GRANTS
 Noncommunity water grants\$1,400,000
 Scrap tire grants.....1,850,000
 Septage waste compliance program400,000
SUBTOTAL FOR DEPARTMENT OF ENVIRONMENTAL QUALITY\$3,650,000

Management and Budget Act

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

No change.

No change.

Acronyms

Sec. 203. As used in this act:

- (a) "Commission" means the commission of natural resources.
- (b) "DAG" means the United States department of agriculture.
- (c) "DHS" means the United States department of homeland security.
- (d) "DOC" means the United States department of commerce.
- (e) "DOE" means the United States department of energy.
- (f) "DOI" means the United States department of interior.
- (g) "DOT" means the United States department of transportation.
- (h) "EPA" means the United States environmental protection agency.
- (i) "FTE" means full-time equated.
- (j) "IDG" means interdepartmental grant.
- (k) "IDT" means intradepartmental transfer.
- (l) "MDOT" means the Michigan department of transportation.
- (m) "MDSP" means the Michigan department of state police.
- (n) "NPDES" means national pollution discharge elimination system.

Sec. 203. Deletes (a) through (h).

Sec. 203. Deletes (b) through (h). Adds (b) "Department" means the department of natural resources and environment.

Civil Service Billings

Sec. 204. The civil service commission shall bill departments of environmental quality and natural resources at the end of the first fiscal quarter for charges authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Sec. 204. No change.

Reports to be Placed on Department Website

Sec. 206. The departments of environmental quality and natural resources shall use the Internet to fulfill the reporting requirements of this act. This requirement can be met if reports are transmitted via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on an Internet or Intranet site.

Renumbers to **Sec. 205.**; revises language to read: "The departments **receiving appropriations in part 1** ~~of environmental quality and natural resources~~ shall use the Internet to fulfill the reporting requirements of this act. This requirement ~~can be met if reports are transmitted~~ **may include transmission of reports** via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an Internet or Intranet site."

Renumbers to **Sec. 205.**
No change.

Restricted Fund Revenue Estimates

Sec. 207. (1) Within 14 days after the release of the executive budget recommendation, the departments of environmental quality and natural resources shall each provide the state budget director, the senate and house appropriations subcommittees on environmental quality and natural resources, respectively, and the senate and house fiscal agencies with an annual report on estimated restricted fund balances, projected revenues, and expenditures for the fiscal years ending September 30, 2009 and September 30, 2010.

(2) Estimates of restricted fund revenues for the fiscal year ending September 30, 2010 shall be reissued on or before September 30, 2009. These revised revenue estimates shall form the basis for determinations of the number of funded positions authorized in this act.

EXECUTIVE

SENATE

HOUSE

(3) Part 1 of this act provides authorizations to fund 3,701.0 FTE classified positions during the fiscal year ending September 30, 2010. Line-item appropriations include limitations on the number of payroll hours to be funded, on the basis of 2,088 hours per each FTE position. The departments of environmental quality and natural resources shall each report the number of funded FTE positions within 15 days after the effective date of this act. The number of classified employees compensated through each line item is limited by the authorized FTE positions indicated in this act, as adjusted for the number of reported funded FTE positions. Each report shall be provided to the house and senate appropriations subcommittees on environmental quality and natural resources, respectively, and the house and senate fiscal agencies by the deadlines provided in this section.

Grants and Loans

Sec. 208. (1) From the funds appropriated under this act, the departments of environmental quality and natural resources shall each prepare a report that lists all of the following regarding grant, loan, or grant and loan programs administered by the respective department for the fiscal year ending on September 30, 2010:

- (a) The name of each program.
- (b) The goals, criteria, filing fees, nominating procedures, eligibility requirements, processes, and deadlines for each program.
- (c) The maximum and minimum grant and loan available and whether there is a match requirement for each program.
- (d) The amount of any required match, and whether in-kind contributions may be used as part or all of a required match.
- (e) Information pertaining to the application process, the timeline for each program, and the contact people within the department.
- (f) The source of funds for each program, including the citation of pertinent authorizing acts.
- (g) Information regarding plans for the next fiscal year for the phaseout, expansion, or changes for each program.
- (h) A listing of all recipients of grants or loans awarded by the department by type and amount of grant or loan during the fiscal year ending September 30, 2009.

Travel Restrictions

Sec. 213. (1) Due to the current budgetary problems in this state, out-of-state travel for the fiscal year ending September 30, 2010 shall be limited to situations in which 1 or more of the following conditions apply:

- (a) The travel is required by legal mandate or court order or for law enforcement purposes.
- (b) The travel is necessary to protect the health or safety of Michigan citizens or visitors or to assist other states in similar circumstances.
- (c) The travel is necessary to produce budgetary savings or to increase state revenues, including protecting existing federal funds or securing additional federal funds.
- (d) The travel is necessary to comply with federal requirements.
- (e) The travel is necessary to secure specialized training for staff that is not available within this state.
- (f) The travel is financed entirely by federal or nonstate funds.

(2) If out-of-state travel is necessary but does not meet 1 or more of the conditions in subsection (1), the state budget director may grant an exception to allow the travel. Any exceptions granted by the state budget director shall be reported on a monthly basis to the house and senate standing committees on appropriations.

(3) Not later than January 1 of each year, the department of environmental quality and the department of natural resources shall each prepare a travel report listing all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the senate and house of representatives standing committees on appropriations, the senate and house fiscal agencies, and the state budget director. The report shall include the following information:
 (a) The name of each person receiving reimbursement for travel outside this state or whose travel costs were paid by this state.
 (b) The destination of each travel occurrence.
 (c) The dates of each travel occurrence.
 (d) A brief statement of the reason for each travel occurrence.
 (e) The transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues.
 (f) A total of all out-of-state travel funded for the immediately preceding fiscal year.

Renumbers to subsection **(2)**; replaces "the department of environmental quality and the department of natural resources" with "**each department**".

Renumbers to subsection **(2)**; revises language to read:

 "shall ~~each~~ prepare a travel report."

"Buy American"

Sec. 214. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and comparable quality American goods or services, or both, are available. Preference should be given to goods or services, or both, manufactured or provided by Michigan businesses if they are competitively priced and of comparable quality. In addition, preference should be given to goods or services, or both, that are manufactured or provided by Michigan businesses owned and operated by veterans, if they are competitively priced and of comparable quality.
