# GLOSSARY

## STATE BUDGET TERMS

**Gross Appropriations (Gross):** The total of all applicable appropriations (statutory spending authorizations) in a budget bill.

**Adjusted Gross Appropriations (Adjusted Gross):** The net amount of all gross appropriations after subtracting interdepartmental grants (IDGs) and intradepartmental transfers (IDTs).

**Lapses:** Appropriation amounts that are unspent/unobligated at the end of a fiscal year. Appropriations are automatically terminated at the end of a fiscal year unless otherwise provided by law.

**Work Project:** A statutorily-authorized account which allows a spending authorization to be carried over from one fiscal year to a succeeding fiscal year or years—i.e., allows funds to be spent over a period of years.

## APPROPRIATION BILL TERMS

**Line Item:** Specific funding amount in an appropriation bill which establishes spending authorization for a particular program or function (may be for a single purpose or for multiple purposes).

**Boilerplate:** Specific language sections in an appropriation bill which direct, limit or restrict line item expenditures, express legislative intent, and/or require reports.

## REVENUE SOURCES

**General Fund/General Purpose (GF/GP):** Unrestricted General Fund revenue available to fund any activity accounted for in the General Fund; unused GF/GP revenue lapses to the General Fund at the end of a fiscal year.

**State Restricted (Restricted):** State revenue restricted by state law or outside restriction that is available only for specified purposes; at year-end, unused restricted revenue remains in the restricted fund.

**Federal Revenue:** Federal grant or matchable revenue dedicated to specific programs.

**Local Revenue:** Revenue from local units of government.

**Private Revenue:** Revenue from non-government entities: rents, royalties or interest payments, payments from hospitals or individuals, and gifts and bequests.

**Interdepartmental Grant (IDG):** Revenue or funds received by one state department from another state department (usually for a service provided by the receiving department).

**Intradepartmental Transfer (IDT):** Transfers or funds being provided from one appropriation unit to another in the same department.

## MAJOR STATE FUNDS

**Budget Stabilization Fund (BSF):** The countercyclical economic and budget stabilization fund; also known as the "rainy day" fund.

**School Aid Fund (SAF):** A restricted fund; the primary funding source for K-12 schools and Intermediate School Districts (ISDs).

**General Fund:** The General Fund (funded from taxes and other general revenue) is used to account for the ordinary operations of a governmental unit that are not accounted for in another fund.
