**Department: Licensing and Regulatory Affairs  
Agency: Bureau of Construction Codes  
Rule Set No.: 2013-096-LR**

**Complete to: 12/15/14**

## **BACKGROUND & SUMMARY OF PROPOSED RULES SUBMITTED TO JCAR**

2013-096-LR would amend and rescind rules in order to clarify procedure, eliminate redundancy, and bring the administrative rules into conformity with the Forbes Mechanical Act of 1984, including a specification that a year of experience corresponds to 2,000 hours of performance and a requirement that examinations include a portion on knowledge of the Stille-DeRossett-Hale Single State Construction Code Act of 1972.

## **FISCAL IMPACT OF PROPOSED RULES**

The rules amended and rescinded by 2013-096-LR would not have a significant fiscal impact on the state or local units of government.
