Department of State

- The department implements policies of the Secretary of State, an elected official who serves a four-year term of office.
- The department administers programs in four major areas:
 - **Motor vehicle transactions:** Drivers' licenses, titles and registrations for motor vehicles, watercraft, and recreational vehicles.
 - **Traffic safety:** Driving tests, license suspensions and revocations.
 - **Consumer protection:** Inspection, licensing, and regulation of automobile dealers and repair facilities.
 - **Elections:** Regulation and administration of the state's electoral process, training of local election officials, and campaign finance monitoring.

Key Budget Terms

Fiscal Year: The state's fiscal year (FY) runs from October to September. FY 2016-17 is October 1, 2016 through September 30, 2017.

Appropriation: Authority to expend funds. An appropriation is not a mandate to spend. Constitutionally, state funds cannot be expended without an appropriation by the Legislature.

Line Item: Specific appropriation amount in a budget bill which establishes spending authorization for a particular program or function.

Boilerplate: Specific language sections in a budget bill which direct, limit, or restrict line item expenditures, express legislative intent, and/or require reports.

Lapse: Appropriated amounts that are unspent or unobligated at the end of a fiscal year. Appropriations are automatically terminated at the end of a fiscal year unless designated as a multi-year work project under a statutory process. Lapsed funds are available for expenditure in the subsequent fiscal year.

Note: Unless otherwise indicated, historical budget figures in this presentation have not been adjusted for inflation.

Major Budget Topics

Customer Delivery Services Components

- **Branch Operations:** Operates Secretary of State branch offices that issue drivers' licenses; process automobile and recreation vehicle titles and registrations; offer voter registration services; conduct traffic safety programs.
- **Bureau of Driver and Vehicle Programs:** Processes requests for driver and vehicle records; maintains/stores driver and vehicle records; maintains violation, suspension and restriction records; maintains records of financing statements used to protect a security interest in collateral.
- **Motorcycle Safety Education Administration:** Administers motorcycle safety education program and oversight of motorcycle safety courses.
- **Office of Customer Service:** Processes mailed applications for computer-prepared registrations and driver licenses, issues commercial vehicle registrations; receives and maintains Uniform Commercial Code filings.
- **Organ Donor Program:** Collects and transfers organ donation info from licenses and personal ID card applicants to thirds parties; produces promotional materials.
- **License Plates:** Oversees manufacturing and issuing of all license plates, including standard, personalized, fundraising, historical, and veteran/military.

Fundraising License Plates

- Fundraising plates are created through the legislative process.
- Once a bill authorizing a fundraising plate becomes a public act, the sponsoring organization pays \$15,000 start up fee to help offset costs of creation and production of fundraising plate. The department estimates full costs of a new fundraising plate is greater than \$100,000.
- Motorists pay \$35 in addition to the annual registration fee:
 - \$10 for administration (plate production/distribution)
 - \$25 donated to the sponsoring cause
 - Annual renewal is \$10 (donated to the sponsoring cause)
- Fundraising plates created after January 2007 must meet certain sales goals or may be discontinued
 - 2,000 plates sold in the first year offered
 - 500 plates in each subsequent year

Voting Machines/System Upgrades

- The voting machines and optical scanning systems are reaching the end of useful life after more than 10 years of service.
- The department estimates cost to upgrade machines and related equipment in the \$45 - \$60 million range.
- The department has saved funds through work projects for eventual upgrades:
 - \$25 - \$30 million in Help America Vote Act fund
 - \$5 million from 2015 PA 268 (one-time funding)
 - \$5 million in FY 2016-17 budget (one-time funding)
- After procurement and distribution to counties and municipalities, new machines are anticipated to be in place by 2018 Gubernatorial Election.

Business Application Modernization & Legacy Mainframe Replacement

- The department signed the Business Application Modernization contract with Hewlett-Packard to update department computer systems in 2005.
- Some system upgrades were made, such as ExpressSOS, but HP did not fully upgrade all department and branch software. Various complications and lengthy delays plagued each upgrade.
- The department terminated the BAM contract with HP for cause in August 2015. The department also filed a lawsuit against HP for breach of duties in October 2015, with HP counter-filing a lawsuit against the state.
- BAM Project has expended \$43.1 million through FY 2014-15.
- FY 2016-17: The department allocated \$14.1 million in restricted funding, through a \$2.00 increase in record look-up fee, for a new department legacy mainframe replacement system.
- Anticipated completion of new upgraded system in 2018/2019, with payment to the vendor made upon delivery.
