## QUESTIONS AND ANSWERS

### How many credits can I transfer in?

There is no limit to how many credits you can transfer.

### What courses receive transfer credit?

You must have earned at least a C- (1.7 honor points), in a 100-level or higher course, from an accredited institution to receive transfer credit.

### When do I receive an official transfer evaluation?

You will receive an official transfer evaluation once you are accepted to the university.

### How can I see what credits transfer prior to applying?

Our online transfer equivalency tool at [Issu.edu/transfertools](http://Issu.edu/transfertools) helps to determine what courses will potentially transfer. Although this is an unofficial evaluation, it will help to plan ahead.

### Does LSSU accept the MTA?

Yes!
