**NOTE:** State appropriation figures in this section are based on amounts recognized by institutions as general fund revenue on their own financial statements for each year. Some universities designated certain appropriation amounts as restricted funds (e.g., one-time federal ARRA funds in FY 2009-10).

## **GLOSSARY: KEY DATA DEFINITIONS**

### **Enrollment Definitions**

*Headcount:* Number of individual students enrolled for at least one class at a university.

*Fiscal Year Equated Students (FYES):* Calculated equivalent of the number of full-time students enrolled at a university; FYES is equal to student credit hours divided by 30 at the undergraduate level.

*Resident/Nonresident:* The HEIDI definition as to whether or not a student is categorized as a Michigan resident is based on the universities' individual residency policies for tuition purposes.

### **Finance Definitions**

*Tuition and Fees:* Undergraduate tuition and fee rates are based on 30 credit hours per academic year (15 for Fall semester; 15 for Winter semester); rates do not include refundable fees, course fees, or other fees not paid by a majority of students in a given academic level, but do reflect any refunds provided on a uniform basis.

*Current Fund Revenue:* All revenue received for current operations—including auxiliary operations, such as hospitals and dormitories, and operations funded from restricted revenue sources, such as federally-funded research.

*General Fund Revenue:* Subset of current fund revenue received for student instruction and related activities; general fund revenue consists primarily of state appropriations and tuition/fees.

*State Appropriation:* See notes at end of "Current Fund, General Fund, and State Appropriation Revenue" and "General Fund Revenue by Source" sections.

*Indirect Cost Recovery:* Reimbursement of general fund expenditures for indirect costs resulting from federally-funded research or other grant-based activity.

*Financial Aid (General Fund Expenditures):* Allocation from institution's general fund resources for financial aid to students; effectively results in discounting of tuition rate.
